Unofficial Academic Transcript

This is not an official College of Charleston transcript. It does not contain the College seal, official signature of the Registrar, or issue date.

Courses which are in-progress (currently registered but not graded yet) are also included on this transcript. See Courses in Progress section.

All awarded transfer credit will be listed at the beginning of the transcript and is noted with "TR" in the Grade column. Grades do not transfer, only credits. Transfer credit is only added into Earned Hours.

Attempted Hours only include hours at College of Charleston. This is true for GPA Hours, Quality Points, and GPA.

The "Academic Standing" that is posted before the courses of each term is the academic standing for that term after grades are posted.

If you have both graduate level and undergraduate level programs, and selected a transcript for both, the graduate level program coursework will appear first on the transcript.

Within each term where courses are listed, repeat courses are coded in the far right column with the heading "R". A repeat course is coded:

• "A" indicates "repeat include" – grade is calculated into total GPA, but student will not receive Earned Hours.
• "E" indicates "repeat exclude" – grade will not be calculated into GPA nor will earned hours, GPA hours, or quality points be awarded.

NOTE: Repeats are not indicated on the transcript until AFTER final grades have been posted for the term.

For information on ordering an official transcript please visit:
http://registrar.cofc.edu/transcripts/official-transcripts.php

Students who wish to print a copy of their unofficial transcript from a web browser to a PDF should be using Windows 10 and the built-in "Microsoft Print to PDF" printer or OSX and the "Save as PDF" option. While there are other viable combinations these are the supported options and produce consistent results.

Total: 30.00

Weighted average grade: 4.11

Total amount of studies is measured in credit points (ECTS). One ECTS corresponds to 26 hours of studies performed by a student. One academic year consists of 60 ECTS.

Courses in all subjects must end with an examination or pass/fail evaluation. There may be several independent examinations in separate parts of a subject.

Grading scheme since August 30, 1999
Differentiated assessment of students' academic results in a subject or its parts is conducted using a six-grade assessment system (supplemented by the verbal counterpart and the description of meaning of every grade) as follows:
1) Grade "A" - "Excellent";
2) Grade "B" - "Very good";
3) Grade "C" - "Good";
4) Grade "D" - "Satisfactory";
5) Grade "E" - "Sufficient";
6) Grade "F" - "Insufficient".

The examination or pass/fail evaluation is considered passed upon its grading in the range from "E" to "A". In calculating the average grade the following correspondences are applied: A = 5, B = 4, C = 3, D = 2, E = 1, F = 0.
Non-differentiated assessment of academic results is conducted using a system whereby the positive result is defined as "Pass" and the negative result as "Fail".
