Computer Science

SECOND MAJOR/AREA OF EXPERTISE

NA

GRADUATING CLASS*

2020

HAVE YOU ATTENDED MEDHACKS PREVIOUSLY?*

○ YES
◉ NO

WHY DO YOU WANT TO ATTEND MEDHACKS 2019? (MAX 350 CHARACTERS)*

I would love to learn about merging my love for computer science and biology. I have attended general hackathons previously, but never a medical focused one. Since I am interested in utilizing my experience in computer science with the medical field, I feel like there is no better way than to immerse myself in learning about it first hand.

WHAT SKILLS CAN YOU BRING TO THE HACKATHON? (MAX 350 CHARACTERS)*

I have a strong passion for programming, specifically with my background in team projects. I feel like I can contribute to other attendees on the topics of programming, architecture design, and public speaking.

WHAT WOULD YOU LIKE TO SEE AT MEDHACKS 2019? (MAX 350 CHARACTERS)*

I would like to see innovative new ideas that are currently in the MedTech industry. It would be interesting to meet with some of these companies that have created med-tech products and learn from their passions and inspirations.

IS THERE ANYTHING YOU WOULD LIKE US TO KNOW? (MAX 350 CHARACTERS)

I would love to attend MedHacks and contribute to the culture of the hackathon!

WILL YOU BE SEEKING A TRAVEL REIMBURSEMENT?*

◯ YES
◉ NO
